

Preliminary program

1 October 2019 (DAY1)

09:00 Registration

09:30 Welcome

Algae biorefineries for added value ingredients

09:45 **ABACUS BBI-JU project - CEA**
Added value compounds production - Algal biomass

10:30 **Poster session/coffee break**

11:00 **ABACUS BBI-JU project - Consortium**
Added value compounds production - Algal biomass

11:45 **SpiralG BBI-JU project - GREENSEA**
Phycocyanin production - Spirulina

12:15 **Lunch**

Blue biomaterials

13:45 **Algae lab - ATELIER LUMA**
Wetlands with new resources - Algae

14:15 **Ecole des Mines d'Alès**
Bio-based polymer materials - Microalgae

14:45 **Alguex project - ERANOVA**
Bioplastics - Algal starch-based resin

15:15 **Poster session/coffee break**

Circular blue bioeconomy

15:45 **WABA ERA-Net Med project - Cordoba University**
Wastewater bioremediation - Algae-bacteria consortia

16:15 **ALG-AD project - Interreg NWE - Swansea University**
Waste nutrients - Algal & anaerobic digestion technology

16:45 **VASCO2 project - Marseille Port authority**
Industrial CO₂ waste valorisation - Microalgae

20:00 **Dinner**

2 October 2019 (DAY2)

Bioeconomy opportunities in the Sud-PACA* region

09:00 **Biosciences & Biotechnologies Institute of Aix-Marseille**
CEA-BIAM Research & innovation

09:30 **Laboratory of Oceanography Villefranche sur Mer**
Darwinian improvement of microalgae

10:00 **Pôle Mer Méditerranée**
Blue bioeconomy projects

10:30 **Poster session/coffee break**

11:00 **Inalve**
Microalgal meal for animal feed

11:30 **SunOleo**
Floating light well photobioreactors - Microalgae

12:00 **RisingSUD - Sud PACA* region**
Economic development agency

12:30 **Lunch**

Research & innovation

14:00 **CRITT-Novachim - Chemistry & Materials**
Bioresources valorization in Sud-PACA* region

14:30 **Métropole Aix-Marseille-Provence**
Provence Industry' Nov

15:00 **Poster session/coffee break**

15:30 **Plenary presentation**
Bio-Based Industries Joint Undertaking (BBI-JU)

16:00 **Conclusion of the workshop**
ABACUS BBI-JU Coordinator

16:15 End of the workshop

3 October 2019 (DAY3) Field trip option - TBA

08:00 Transport

09:00 **Site visit**
Algae-based applications

11:30 Transport if required
